***"Your Brethren Here in Manila Would Like to Say Thank You"***

**Pastor Roy Rocha - BPACCI pastor  
MANILA, LUZON IS., PHILIPPINES**

Hello,

Your brethren here in Manila would like to say thank you for all the prayers and the financial gift that AcmisioNZ extended and sent to us! I know this is your act of love to us. Your action paints a clearer picture of what godly love is. It is a concrete illustration of how the body of Christ really carry each others burden. It's so amazing!

Below are some pictures of how the money being used and how it brings smile to all of us here!

Once again, thank you!  
With a grateful heart,

**Roy Rocha**

**At Roy's request the Philippine Advent Christian Mission are despatching funds sent from New Zealand and America in monthly instalments for the Manila Advent Christian Church to use for the needs of their congregation.**

**We understand there have been sufficient funds raised to cover estimated damages.**
